Plans Ready For Services

Unless it's raining at the very hour of sunrise Sunday, there'll be outdoor Peninsula Easter Sunrise Services this year.

Making plans to allow for a contingency such as that last year when heavy rains the week before Easter forced cancellation of the sunrise rites at Emerald Lake Bowl, the citizens' committee meeting in Chairman C. G. Lambert's office Monday decided to hold the observance on the Sequoia High School Athletic Field in case the roads to the bowl and the adjacent parking space are made unsafe by rains during the week.

Only if it's raining early Sunday morning, or there are definite prospects of rain at that time, will the services be called off, the committee agreed. The suggestion of moving the scene of the services was made by the Rev. C. H. Gatchell, pastor of the First Baptist Church. Bleachers would be available at the athletic field should the services be moved there.

CONDITIONS GOOD NOW

However, indications appear to be that the picturesque bowl, at the base of the giant cross, will be usable this year. Easter fell in March last year, immediately following the unprecedented heavy rains. Conditions at the bowl now are excellent, committeemen reported.

Among other facts brought out at the session last night was that anyone desiring transportation to the bowl would have it furnished by John E. Layng and his committee if they would telephone the city hall (Redwood 1500) between 9 a.m. and 5 p.m. any day this week, or before noon on Saturday.

Although the rites will not begin until 5:33 o'clock, when the sun is due to rise, people driving to the bowl are urged to plan to leave Redwood City not later than 5 o'clock to allow plenty of time to drive to the site, park their car and walk the short incline to the bowl.

BAND TO ENTERTAIN

The Redwood City Municipal Band, directed by Dr. R. Lee Otis, will play one or two numbers before the services begin so that early arrivals will be entertained. Scheduled to be played, Dr. Otis said, are "Just a Whispered Prayer," and "The Old Rugged Cross." The latter number also is to be sung by the congregation, but the band's rendition will be of a different arrangement.

Whether or not the band will wear its new uniforms, which they have yet to make a public appearance in, will be decided at practice tonight.

Reports from committees indicated that everything is in readiness for the ninth annual services.

County Crews Begin Alpine Road Work

Work was under way today on the Alpine Rd. unit of the $837,000 county WPA road program, according to Engineer U. S. Marshall. The work includes resurfacing to the junction of the Shrine Park Rd., replacement of two wooden structures with concrete, and elimination of two more by an 800-foot line change.

WPA labor on the project will come from the Memorial Park work camp, Marshall said. There are now 176 men enrolled.

The road department is building a 250-foot concrete arch culvert on La Honda Rd. at Kelly Creek in preparation for the farm-to-market road contract to be let after July 1 by the state, according to present expectations.

Road craws are removing slides on the La Honda Rd., are also working on the Pescadero Rd., and have started cutting trees in Millbrae, Marshall said.

Engineer Explains WPA Road Program

SAN MATEO, Apr. 13—That the more liberal Works Progress Administration requirements recently established will enable the county to carry out a road program of considerable scope was the belief expressed by County Engineer U. S. Marshall last evening in a speech before the public forum held in San Mateo under the auspices of the San Mateo County Federation of Improvement Clubs and Associations.

Marshall said that the county has benefited tremendously from relief funds that have gone into road work.

The engineer said that the county's road system was severely damaged by the winter storms but that he hopes to use government funds for new construction work and use county money for reconstruction.

Parade Judges Are Selected

Unsolicited trophies are coming in fast for Redwood City's Annual Pet Show to be held at the City Hall Grounds May 14, Mrs. C. H. Wakefield, president of the Redwood City Humane Society, which sponsors the event, announced today.

Mrs. Simpson Reinhard has given a trophy for the best float in the parade. Judges for the parade have already been chosen. They are Sam H. Winklebleck, Perry A Bygdnes and Max J. Leonard.

The humane society is offering a trophy for the best animal in the parade and four other awards.

Mrs. Elsie Granville, judge of the cat division, offers one in that class.

Arthur Foff, judge of the large dogs, offers another for his specialty.

Mrs. Wakefield herself is donating two, while her sons, Robert and Kenneth, are presenting six.

Other donors of trophies are M. P. Matteson, Sequoia Theater, Evans A. Fletcher, Business and Professional Women's Club, and Mrs. Florence Mack.

The Garden City Products Co. has added a dog dish.

Proprietor of Cafe Faces Morals Charge

Gene Trueblood, 31, proprietor of the Aloha Cafe on El Camino Real south of Redwood City, was held in Martinez today on charges of contributing to the delinquency of a minor. He was arrested on a Martinez warrant and held in lieu of $2000 bail. He was taken to Martinez by Ralph Harrison, Contra Costa County deputy sheriff.

Luisetti Too Fast, Highway Police Aver

Angelo (Hank) Luisetti, 21-year-old Stanford basketball star now preparing for a Hollywood debut, was too speedy for the California Motor Vehicle Act, according to a traffic tag on file today at the State Highway Patrol office.

Luisetti, speed king of the hardwood floors, was doing 65 miles an hour on the cement pavement of Bayshore Hwy. at 6:30 a.m. Saturday, according to the ticket.

He was arrested by Highway Patrolman William Francis and cited to appear in Judge Wade H. Clay's South San Francisco court Thursday. Luisetti, who lives at the Delta Kappa Epsilon fraternity at Stanford and at 1162 Broadway in San Francisco, was driving a car belonging to Mrs. Lucy Carson Rasmussen of Los Angeles.

WPA Recreation Bureau Begins Work

The Redwood City WPA Recreation Department began its work Monday when 35 youngsters signed up with Instructor Marlene Malcolm at Washington School for dancing instruction.

Meanwhile WPA Recreational Director H. V. De Armond moved into his office at the police department with a crew of three, who immediately began tabulating returns of a recent sports interest questionnaire passed out to school students by City Recreation Director Alfred (Red) Morton.

Both Morton and De Armond said their departments planned close cooperation.

The WPA projects were obtained by the city at no increase in expenditures over regular costs.

Complaining Witness Is Sued for Divorce

Elwood F. (Al) Cordray, one of the principals in the Bayshore City shooting of Apr. 5, Wednesday was named defendant in the divorce action filed by Vivian C. Cordray.

It was Cordray who signed the complaint against Claude C. Higgins, former Bayshore City police chief, charging him with assault with a deadly weapon in a row which allegedly grew out of a political argument.

On the same day that the political argument took place, according to Mrs. Cordray's complaint, Cordray had a quarrel with his wife in which he threatened her with bodily harm. She states that she was forced to leave her home and seek refuge with her sister in San Francisco.

Bullet Pierces Man's Cheek As Rifle Discharges

The condition of Kenneth P. Stumbaugh, 25, San Francisco printer who had a narrow escape from death when he accidentally shot himself Saturday afternoon, was reported as being "good" at Community Hospital.

Stumbaugh, who lives with his parents, Mr. and Mrs. Charles Stumbaugh, at 612 Winslow St., shot himself in the right cheek. He was pulling a .22 caliber rifle from an automobile at 439 Harrison St. when the gun went off. The bullet after passing through the lower part of his cheek glanced off the cheek bone and emerged close to the temple.

Convicted Motorist Wins Sentence Delay

Hearing on the motion of Benjamin Dance, San Mateo house painter, for probation was delayed a week late Monday at the request of Dance in Judge Maxwell McNutt's court.

Convicted of driving while drunk and causing personal injury in connection with the death of George Noble, 36, San Mateo Negro on Dec. 19, Dance won a favorable vote from the jury on the question of his probation.

Probation Officer Francis Robinson filed his report recommending that probation be granted on condition that Dance serve a term in the county jail and be deprived of his driver's license.

Oil Production At Well Gains

HALF MOON BAY, Apr. 12—Encouraging signs of increasing production were reported today at the Wilshire Oil Co. well near here.

The well was first reported producing 10 barrels daily of high quality oil. Now the quantity is reported increased to 25 barrels daily, bringing the well close to where it will be commercially profitable.

"It is always a good sign when the production of a well increases," an expert said.

It was learned that the well, rather than being permitted to flow, was being pumped. The depth at which the oil was struck, approximately 2500 feet, makes pumping commercially possible, although pumping would be prohibitively costly at lower depths.

"If they can increase production further, the well may become commercially profitable," it was said.

Dreams that the Coastside would become an oil producing center have long been treasured by residents of the area. The present well is hold one of the most encouraging indications that the dream may become a reality.

Lumber Theft Charge Faces George Alpers

George Alpers, 50, operator of a Skyline Blvd. inn near the Kings Mountain Rd., was free today under $500 bond to await grand theft charges arising from alleged cutting of trees on property other than his own. The complaint was filed by C. E. Blanchard of Gilroy. Blanchard charged Alpers exceeded terms of his lease on the property when he cut trees for lumber.

Council Urged To Reject Plea For More Signs

In the opinion of Redwood City's seven planning commission members, 41 billboards are enough for this city.

The commissioners so expressed themselves Monday night when they voted unanimously to recommend to the city council that the number of billboards in Redwood City not be increased.

The vote came after an hour of persuasive reasoning by two representatives of outdoor advertising firms, the West Coast Advertising Co. and Foster & Kleiser.

'SENTIMENT OF PEOPLE'

Commissioner Edwin DeSmith moved to recommend that the billboard firm's applications for permits be denied.

In seconding the motion, C. M. Doxsee declared: "I am seconding this motion because I believe I am expressing the sentiment of a majority of the people."

"Aye" votes were cast by Chairman Henry Witte, City Atty. Albert Mansfield and Commissioners John E. Layng, Edward T. Allen, Daniel R. Stafford, DeSmith and Doxsee.

UP TO COUNCIL

The recommendation goes to the city council, which will consider the permits at its next meeting Monday at 8 p.m. in the Firehouse Auditorium. The planners had delayed action on the applications for a month from their last meeting.

Only other business before the planners last night was the application of Al Kendrick and A. W. Loder of Palo Alto for a permit to construct a retail ice delivery unit at the service station at the corner of Hopkins Ave. and El Camino Real. The commission recommended that the permit be granted.

Right Identification Learned for Girls

After one more name change, the "Weaver girls" picked up by the State Highway Patrol Saturday were identified Wednesday as wards of the juvenile court in Los Angeles County.

"Virginia Weaver" has been identified as Leona Virginia Carr, 16, according to Probation Officer Francis Robinson. She ran away from the school where the court had placed her, Robinson said, which explains her desire to hide identity.

The other girl, first booked as Leona's half sister, is Ruth Whitman, 15, another ward of the court, Robinson disclosed.

"I have no details of the girls' past record," Robinson said.

Los Angeles authorities sent a teletype advising Robinson they would send for the girls.

State Report Lists Figures

San Mateo County was third from lowest in yearly per capita relief expenditures among California counties last year, according to a report from the State Department of Social Welfare.

Highest per capita relief burden was recorded in Tuolumne with $16.07, and lowest was Imperial County with $3.31. The figure was $4.15 for San Mateo County.

Only 4.5 per cent of San Mateo County's population was on relief during the year, the report shows, compared to 20.8 per cent in Sierra County. San Francisco had 6.9 per cent of its people on relief.

MENLO PARK

MENLO PARK, Apr. 14—Easter will be observed in all local churches Sunday with extra choir programs and special sermons. Masses at the Church of the Nativity will be at 7, 8:30 and 11 o'clock. The latter will be a high mass, sung by the Rev. Father Thomas McKeon.

The city election Tuesday was an exciting affair, although the campaign itself was a very tame contest. Not until the last few days did the campaign show any spirit. A big vote was cast and every effort was made by the contestants to bring it out.

The incumbent ticket won by a large majority. There were three trustees to be elected. The vote was as follows: Hugo May, 493; Henry Carroll, 555; Mayor J. E. Cooper, 541; W. H. Weeden, 366; Robert Concannon, 341; and Edward Hart, 349. The council will meet Monday to canvass the votes.

Councilman John B. Walsh, who has been ill for several weeks, was able to be up Tuesday and will soon be convalescent.

Miss Vera Franceschi, 13-year-old piano prodigy and young daughter of Roger Franceschi, is home for a brief visit. She will leave shortly for Rome to complete her musical studies.

Frank Morey will be united in marriage this month to Miss Lourey of Redwood City. The young couple will reside in Menlo Park. Mr. Morey is in the concrete business with his father, J. W. Morey.

Thomas Maloney, a member of the San Francisco police force for more than 30 years, will retire this year and will probably occupy his summer home on Santa Cruz Ave., near Coon's bridge.

Samuel Charles Nash, who died at a Belmont Sanitarium Monday, was buried from the Church of the Nativity Wednesday. Interment was in Holy Cross Cemetery. Nash was born at Ravenswood 39 years ago and when his mother, the late Mrs. Thomas Fitzgerald, moved to San Francisco more than 10 years ago, he went with her. For some time he had been farming at Rockaway Beach.

His father, the late Samuel Nash, was also a farmer at Ravenswood. The grandfather of the deceased, Samuel Nash, came to Redwood City from Ireland in the fifties and farmed extensively in the Ravenswood district. John J. Nash, deceased, an uncle, learned the printer's trade in the office of the Times-Gazette in the seventies, and when Mr. McPherson, the owner, sold the paper and started the Santa Cruz Sentinel, Nash went with him, becoming prominent in the political affairs of that city. He later came to Menlo Park many years ago and passed away at the family home.

The deceased is survived by two sisters, Mrs. Howard Crane of Wilmington, Los Angeles County, and Mrs. Catherine McConnell of San Francisco, and by a brother, Joseph Nash of San Carlos.

New Billboard Permit Given

MENLO PARK, Apr. 14—Permission to erect an advertising billboard at Ravenswood Ave. and El Camino Real was granted to the West Coast Advertising Co. of San Francisco by the Menlo Park City Council last night.

Members of the council advised Edward McGlade, representative of the billboard firm, that they were opposed to granting the sign permit but that they had no alternative under the present city ordinance covering the subject.

McGlade was advised that new legislation to banish billboards from the city will be sought.

Monday night the council will meet as required by law to canvass the municipal election returns of this week, in which incumbent Councilmen James E. Cooper and Henry Carroll were returned to office and a new councilman, Hugo May, elected.

Reorganization of the council will be effected next Monday and May will take the seat now occupied by Irving Dunn, whose term is expiring.

Peninsula Farmers Offered U. S. Loans

Applications are being received now by the Emergency Crop Loan Section of the Farm Credit Administration for loans up to $400 on crops, according to Mrs. Marie Kay, 47 West Santa Clara St., San Jose, who invites farmers of San Mateo County to apply for loans. Funds are available for planting, or for purchase of fertilizer, spray material, gas and oil, or feed. The loans are secured by a mortgage on crops to be financed, or on the livestock fed.

Inheritance Report Proves To Be False

Reports that Mrs. Gordon Slade of Redwood City had inherited $500,000 from the estate of her brother-in-law, Benjamin F. Munn, who was killed in a Belgium airplane crash, have proven unfounded, Mrs. Slade's mother, Mrs. A. L. Lesseman, said here.

Mrs. Lesseman explained that the false report probably originated with someone who read that Slade's sister inherited the estate, and hastily concluded it was Slade's wife instead of Mrs. Munn.

Former Convict Branded Robber Of S. C. Couple

Arrest of Frank Leonard, 55-year-old ex-convict, for the robbery of Mr. and Mrs. Bonaface Puertas at their San Carlos home last Wednesday was asked today in a warrant issued by Justice of the Peace Hugh Millin Jr. in San Mateo.

Mr. and Mrs. Puertas identified Leonard from pictures which had been taken of him some time ago when he was arrested in San Francisco, according to Police Chief Edward J. Wheeler of San Carlos.

The complaint charges Leonard and a companion listed only as "John Doe" with one count of robbery and one of burglary. They are accused of taking nearly $1400 from Mr. and Mrs. Puertas after entering their home during their absence. The money represented receipts from the Puertas' San Francisco grocery store.

Incumbent Eva Gains Fourth Place in Race

New Councilmen Take Office at Meeting Next Monday

Redwood City's voters Tuesday named one new councilman, Harold F. Anderson, giving him top honors in the voting, and re-elected two incumbents, Louis C. Christensen and Evans A. Fletcher.

In doing so, the electors declined to return to office Incumbent James M. Eva and rejected the bids made by Floyd D. Granger and Calvin S. Grandi.

Results of the election, in which 2192 or 42 per cent of the city's 5192 registered voters cast ballots, were:

Christensen	1248
Fletcher	1089
Eva	958

Grandi	450

Anderson will take his seat on the council, succeeding Eva, next Monday evening when the council finishes transacting pending business and canvasses the vote after counting eight absentee ballots.

TO ELECT MAYOR

Following seating of Anderson, a mayor will be elected to succeed Paul A. McCarthy, or he will be re-elected.

The new council will be composed of Anderson, Christensen, Fletcher, McCarthy, George W. McNulty, Robert N. Jones and William Hohn.

The board of supervisors will be asked to provide $38,000 immediately for construction of the La Honda "Farm-to-Market" road at its meeting Tuesday, it was announced today by County Engineer U. S. Marshall.

Marshall said he had been advised by the State Highway Division that the work would proceed immediately if the county could supply its share of the costs. The federal government will provide 58 per cent of the cost of the $86,000 project, Marshall said.

The unit to be constructed extends for 1.4 miles west of the Rosenberg contract, and links improved sectors of the road connecting Skyline Blvd. with Woodruff Creek, six miles west.

THIS CURIOUS WORLD By William Ferguson

HIBERNATION of the Carlsbad Cavern bats begins about Oct. 15 each year. Around May 1 they begin to fly out at dusk for insect food. By midsummer their flights are a spectacle not easily forgotten. It was the clouds of bats swarming above the caverns that led to their discovery.

Twenty-two per cent of Chile's working population finds occupation in the more than 8000 different manufacturing enterprises established in the country.

Approximately 94 per cent of the electricity in the United States is generated by privately-owned companies which have an invested capital of $13,000,000,000.

8 New Council Heads Elected By Peninsulans

Only Two Incumbents Fail in Campaigns For Re-election

San Mateo County's cities today had eight new councilmen as the result of Tuesday's elections which saw voters reject only two incumbents who had bid for re-election.

Another incumbent, Mayor C. L. Jordan of Belmont, had not sought re-election, but had, it was understood, given his assent to a write-in campaign. The effort of his friends, however, brought him only 201 votes, while E. G. Morrison polled 373 votes and Harold F. Danforth 339.

The election also saw former Supervisor Albert J. Witt Jr.'s bid for a council post in Daly City badly rebuffed. He ran sixth, or next to last, in the race in which the three incumbent officials were returned to office by substantial pluralities.

NEW COUNCILMEN

New councilmen elected were Morrison and Danforth in Belmont; Harold F. Anderson in Redwood City; Hugo May, Menlo Park; Benjamin C. Chapman and Charles Homa, San Bruno; Roderick Tibbetts, South San Francisco, and Roy D. Gover, San Carlos.

Councilmen defeated for re-election besides Jordan were James M. Eva, Redwood City, and Mayor William Farmer, San Bruno.

New councilmen will take office at the next meeting of their councils.

One new city clerk was elected, R. G. Kelly of Belmont being defeated by Mrs. Catherine Heartsner.

HEAVY VOTE IN S. S. F.

Most interest in the election appeared to be shown in South San Francisco, where 2373 out of 3034 registered voters went to the polls—most ever to vote in that city. The election had been marked during the day by parades by supporters of rival candidates, Councilman Victor Boido and Amelio Cortesi. Boido and Roderick Tibbetts were elected by comfortable margins.

Bayshore City, where shooting had punctuated the campaign, refused to unseat its incumbent officers, who had been made the target of a civil suit brought by former Police Chief C. C. Higgins, which is now pending. Higgins now faces charges in connection with a beer parlor shooting. Mayor John L. Lawson and Incumbent A. R. Hermann were re-elected when 373 of the city's 516 voters turned out.

Until the write-in campaign for Jordan, Belmont's interest had been centered around the clerk ship, which Kelly lost to Mrs. Heartsner.

In Burlingame, a last minute "embarrassing question" attack on Incumbents C. A. Buck and E. R McDonald failed to win many votes for C. H. Hackmeier and Clyde F. Reid, both of whom were soundly defeated. Buck now lives in Redwood City, but maintains his legal residence in Burlingame. He at first declined to run this year, but was petitioned to do so.

Witt's defeat in Daly City was his second in two years, for it was only that long ago that he was defeated for re-election as supervisor, although at that time he carried his home district which centers in Daly City. During the campaign he was made the object of a vigorous attack by a San Francisco magazine, which he has threatened with a criminal libel action.

Menlo Park's incumbents took into their fold Hugo May and elected him along with themselves to replace Irving Dunn, who declined to seek re-election. Two former councilmen, W. H. Weeden and E. Hutson Hart, teamed with Robert L. Concannon but failed to come near the leaders.

MAYOR UNSEATED

San Bruno had 12 candidates seeking the four council posts, but only Mayor Farmer of the incumbents failed to gain re-election

San Carlos saw a lively scrap, with Roy D. Gover emerging victorious with Incumbent Merritt Hosmer.

No contests materialized in Atherton, Lawndale, or Hillsborough.

Voters at San Bruno passed by a 562 to 240 count the lone proposition on city ballots throughout the county. The proposition authorizes municipal control of the keeping of livestock in the San Bruno city limits and prohibits keeping of stock in certain localites.

SHARKEY ESTATE IS SUED

W. E. Formway, Los Altos, driver of the truck which collided with the automobile containing Mr. and Mrs. Miles A. Sharkey of Redwood City on El Camino Real near Salinas Christmas Eve, has filed suit here for $753.46 against the Sharkey estate. Mr. and Mrs. Sharkey were killed in the accident and Formway was injured.

County Board Disagrees On Salary Boosts

Members of the board of supervisors split on the issue of salary increases for elective county officials at an executive caucus in County Executive E. A. Rolison's office Tuesday morning.

While Rolison declined to make a statement, it was disclosed by one member of the board that no decision was reached and that no further meetings will be held until Apr. 19, the day the salary ordinance must be passed.

Increases provisionally agreed upon by some members of the board, Rolison, and a grand jury committee headed by John D. Bromfield failed to meet the full board's approval, it was learned.

PROVISIONAL SCHEDULE

This provisional schedule called for these increases:

	Present Salary	Proposed Salary
Controller	$3500	$3900
Clerk	3500	3600
Recorder	3500	3600
Treasurer	3500	3600
Coroner	3500	3600
Supt. Schools	3500	3600

One member argued against any increases, it was learned. Another favored small increases for all elective officers, and between the two extremes it was impossible to reach agreement, it was stated.

AUGUSTUS CITES FIGURES

A major split developed over the request of County Clerk W. H. Augustus for an increase to $4200 per annum, it was stated. Augustus submitted figures comparing his salary with salary and fees of the clerks of San Joaquin, Marin, Stanislaus, Ventura, Kern, Tulare, and Santa Barbara Counties.

He maintained that the San Mateo County clerk is the only one which must name polling places and election officers, but that of the eight clerks he is the poorest paid with the exception of one.

Other compensations range from $3300 a year in Tulare County to $5600 in Kern County, only slightly larger than San Mateo County, Augustus pointed out.

The clerk of San Joaquin County received last year a $3600 salary and $600 in fees; Marin County, $3200 salary and $1810 in fees; Kern County, $4000 salary and $1600 fees.

FEES GO TO COUNTY

Under the charter, all fees collected by the clerk are turned into the county treasury, he pointed out.

The comparison presented to the board shows in detail the amount of work undertaken by each of the county clerks, including registration, court cases, marriage licenses, and citizenship applications.

Police Hunt Hit-Runners

Three automobiles struck Pedestrian Frank M. Scully on El Camino Real at Lomita Park early Wednesday making him San Mateo County's 14th traffic fatality of the year, the first for April.

James Nightingale, San Francisco, told State Highway Patrol Sergt. Manfred Walzberg that he was driving north against two southbound rows of cars at 1:20 a.m. and was blinded by lights when he struck Scully, who was walking across the highway in a dip near the 16-Mile House.

Nightingale stopped his automobile and tried to flag down oncoming cars. Two of them struck Scully's prostrate form and drove on without stopping, he said.

Scully was pronounced dead on arrival at the hospital, He was 23, lived at 3647 22nd St., San Francisco, and was an employe of the J. A. Clark Drayage Co.

Walzberg said the accident appeared to have been unavoidable, but will take Nightingale before the district attorney today for questioning.

Stanley Kelly Asks Retrial on Ouster

Bullock & Manders, attorneys for Stanley Kelly, former county purchasing agent, have served notice on Dist. Atty. Gilbert D. Ferrell and Controller Edward M. Stack of intention to ask for a new trial. The notice was filed on department 2 of superior court.

Grounds listed for the new trial were (1) insufficiency of evidence in the previous trial, (2) the decision was contrary to law, and (3) there were errors in law during the trial.

When the offices of purchasing agent and executive were combined in December, Kelly sued for his full December salary on the contention that he could not be ousted from office until the end of his four-year term. His petition for a writ of mandate was denied by Judge Warren V. Tryon.

Mrs. McGinn Heads Annual Seal Sale

Mrs. John L. McGinn of San Mateo will direct this year's Christmas Seal sale as chairman, the executive committee of the San Mateo County Tuberculosis and Health Association decided Monday night when it met in San Mateo.

Reports on the various activities of the association were given. Included was the report of Mrs. C. A. Andrews that of 1531 tuberculosis tests given in four high schools in the county, 254 positive reactions were obtained.

Miss Pauline Merino, who was reappointed health nurse, reported that she had made 573 home visits in the seven months she has been on the job besides holding numerous conferences and doing other work. Dr. W. F. Knorp reported on the diagnostic chest clinic at Community Hospital, which he characterized as one of the best available despite the fact it has been in existence only four months.

The directors granted Mrs. Ruth Close, executive secretary, a month's leave of absence to attend the California School of Social Work in June. She also will attend the National Tuberculosis Association convention in Los Angeles June 20-24.

There are approximately 3300 standing committees in the 48 state legislatures.

The regional contest will bring together five county winners, each speaking on the subject "American Citizenship—And What It Means to Me."

The winner will advance to the final round of competition, to be held in San Francisco, Apr. 29.
